Vision and Mission

The promoters share a common vision to provide Best-in-Class IT and IT enabled services to clients all over the world. Since the industry is highly people driven, we believe in providing equal prospect and exceptional infrastructure and work environment to all employees, thereby improving the work atmosphere and competence level to serve Clients better. Our mission is always to create a web site exceeding in quality every time by providing best web site design with every single project according to the parameters of Google.

Our Values

As a company, and as individuals, we value integrity, honesty, openness, personal excellence, constructive self-criticism, incessant self-improvement, and reciprocated respect. We are committed to our clients and partners and have a passion for new technologies. We take on big challenges and pride ourselves on seeing them through. We hold ourselves accountable to our customers, shareholders, partners, and employees by honoring our commitments, providing results, and pushy for the highest quality. Our Motto is “Provide the big values on time and under budget”. We convey what we promise. Our Work is based on the belief that your site must be better than all your competitors in order to produce results.

Some Fundamental Rules

Programmer

Have a great good coding skills bug are allowed but mistakes are prohibited.

Web development

Having a good skill of HTML5, CSS3, JavaScript, jQuery and Asp.NET, MVC should be your plus point.

How We Work?

No need to obey the official politics a man born free and he is free, you just have to complete your task on time from your home or wherever you feel good to code or design.

Responsibilities

Have to submit work on time always report to your Project head. Just complete your work on time and then chill.

Conclusion

SOFT TECH HUB is your own we all are a group and we have to make is feel easy and comfortable not boring!
